

MAHESH DONGARE

HTML/CSS Frontend Developer

Wardha, Maharashtra, India | +91 9067215226 | dongaremahesh10@gmail.com | [LinkedIn Profile](#)

SUMMARY

A passionate and results-driven Full Stack Developer dedicated to building innovative, scalable web solutions. I thrive on translating complex requirements into clean, high-performance code. My core motivation is leveraging technologies like the MERN stack, advanced Frontend design (HTML5, CSS3, React.js), and AI/GPT tools to optimize development.

PROFESSIONAL EXPERIENCE

Internship Trainee Akola Police Cyber Cell

Akola, Maharashtra, India

Software Engineer Intern

September 2025 – Present (2 months)

- Software Development: Contribute to the development and maintenance of internal software solutions, focusing on enhancing cybersecurity operations and supporting digital forensic initiatives.
- Security Focus: Gaining practical experience in developing secure, reliable applications within a high-stakes public safety environment.

Selected Project Experience

- Akola CopConnect - WhatsApp ChatBot

Status: In Development (Current Internship Project) Tech Stack: **Node.js, Express.js, WhatsApp Business API (Webhooks)**, MongoDB (Planned)

- Platform Development: Building the server-side logic using Node.js and Express.js to handle inbound messages and manage session state for the official police chatbot.
- Integration: Implemented Webhook listeners to securely receive and process real-time events from the WhatsApp Business API, ensuring immediate responses to public queries.
- Impact: Designed to streamline public services, reduce manual communication load, and facilitate efficient initial reporting of cyber-related incidents.

Xenosis IT Solutions

Nagpur, Maharashtra, India

Internship Trainee

May 2024 – July 2024 (3 months)

- Project Contribution: Successfully completed a 3-month intensive training program, contributing to live or simulated projects by applying foundational software development principles.
- Team Collaboration: Worked directly with an agile team to learn best practices in software development lifecycle (SDLC), code reviews, and version control.
- Skill Application: Focused on translating theoretical knowledge into practical, implementable code solutions, specifically within the context of web application development.

EDUCATION

BACHELOR OF TECHNOLOGY (BTECH)

Amravati, Maharashtra

Computer Science and Engineering

August 2023 – June 2026

DIPLOMA IN COMPUTER ENGINEERING

Arvi, Maharashtra

Government Polytechnic Arvi

July 2020 – April 2022

HSC

Karanja (Ghadge), Maharashtra

Model Junior College of Science and Arts Karanja (Ghadge)

June 2019 – June 2020

CERTIFICATIONS

- Certificate for the Completion of Git Training
- AWS Certifications (To be specified - e.g., Cloud Practitioner, Developer Associate)
- iBase Electrosoft LLP (Internship Completion)
